Winery Brief

Cass Vineyards and Winery is located in the rolling, oak-studded hills between Paso Robles and Creston on California's beautiful Central Coast.

One hundred percent of the wines crafted at Cass Winery are Estate Grown. Our vineyard surrounds our Tasting Room and winery. You can literally touch, taste, see and smell the grapes from the block where they were harvested.

The Tasting Room offers picnic fare to enhance the feel of this special environment. Scenic paths lead to oak-shaded picnic areas for our visitors' complete wine country sensory experience.
