Winery Brief

Jada Vineyard grows and crafts Bordeaux and Rhône blends from our estate vineyard on Paso Robles' Westside.

The vineyard was established in 1999, when Jack and Robyn Messina purchased the land with their sights set on making olive oil. They quickly decided to diversify and plant grapes as well.

The first vines were planted later in 1999, and the Messina's embarked upon their first wine in 2005.

Visit Jada's brand new open air tasting room, nestled in the heart of the Templeton Gap, and the friendly staff will guide you through the wines paired with fine cheeses from Paso's local cheese shop, Vivant.

Sample Jada's Tuscan-style olive oil made from olives grown on the estate. Ask the tasting room staff to tell you a Jada folklore story or two. Shop for unique apparel, books, and more.

Call ahead to schedule a tour of Jada's state-of-the-art winemaking facility, or a VIP tasting.

Interested in joining us for charity events, winemaker dinner's artist's receptions, or live music on Jada's breathtaking viewing deck? Sign up for our wine club or mailing list at our web site to receive information about upcoming private events.

Tasting: \$5/person \$10/person for parties of 7 or more. \$10 Wine & Gourmet Cheese pairing - \$5.00 included with each bottle purchased per person.
