Winery Brief

The goal of J. Lohr brands is to produce varietals that can compete with the finest in the world, using a style that focuses on flavor and complexity through vineyard selection, technology and innovation. This goal has led Jerry Lohr and his team to develop three tiers of wines produced from estate vineyards – J. Lohr Cuvée Series, J. Lohr Vineyard Series and J. Lohr Estates.

Today the J. Lohr products are available throughout the United States and in more than 25 countries worldwide.
