## The Opolo Wines

Opolo Vineyards is located on a beautiful 70 acre mountain site, west of Paso Robles. Here, the poor mountain soils, high daytime temperatures and cool nighttime temperatures combine to yield intense grapes that are the necessary ingredients to produce fine wines.

At Opolo, all of our wines are estate grown, produced and bottled, and production is typically less than 500 cases per varietal. Our specialities include big mountain Zinfandels, classic Zinfandels, full bodies Pinot Noirs, Merlots, and Syrahs, as well as an 'easy going' Sangiovese. We also have other great varietals, including Chardonnay, Cabernet Sauvignon, Cabernet Franc, and a delightfully sweet and fragrant Muscat Canelli.

Our tasting room is tucked out of site just off Vineyard Drive on a rustic road that takes you past our Zinfandel and Merlot vineyards, owl boxes, oak trees, and a meandering creek.

The tasting room has a real "winery" feel, as it is located in our "cellar", well positioned to provide barrel samples of your favorite varietals.
