Winery Brief

As a tiny Paso Robles vintner, Rio Seco is part of a "New World" of wine exploration. Our passion is to create the best expression of a unique vineyard, using intensive growing practices and handcrafted winemaking. A philosophy of natural fermentation, no additives in the wines, and of course, starting with the best fruit possible, is making Rio Seco a respected name on the Central Coast for fine wines.

We invite you to join us, and taste the rich flavors of Rio Seco Vineyard.
